

### **CACHE-Sponsored Conferences**

The CACHE newsletter traditionally includes information about CACHE-sponsored conferences to be held in the near future. However, all of these conferences are on multi-year cycle, usually held every 3-5 years, and no CACHE-sponsored meetings will be held in 2020. The next CACHE-sponsored conferences, which will be covered in more detail in the next newsletter, are

- FOMMS 2021, which will be held at The Lake Lawn Resort in Delavan, WI  
and
- FOSBE 2021, which will be on the campus of Harvard University in the Boston area, MA  
followed by
- FOCAPO-CPC in early January 2022 (location to be determined)
