

1st announcement

8th International Conference

Foundations of Systems Biology in Engineering

FOSBE 2022

Royal Sonesta

Cambridge, Massachusetts

August 28-31, 2022

Systems Biology for Life

Conference Chair: Ioannis (Yannis) P. Androulakis, Rutgers University

Conference co-Chair: Maria Klapa, Foundation for Research & Technology - Greece

Nat'l Organizing Committee co-Chair: Eduardo Sontag, Northeastern University

Nat'l Organizing Committee Industry co-Chair: Cynthia J. Musante, Pfizer

Int'l Organizing Committee co-Chair: Eva Balsa Canto, National Spanish Research Council

Int'l Organizing Committee Industry co-Chair: Benjamin Riba, Roche

Conference Themes and Sessions

- Systems Biology: Past, Present, Future
- Systems Biology in the Machine Learning era
- Systems Biology meets Systems Pharmacology: More of the same or something new?
- Systems Biology in a Clinical Setting: From desktop to bed top
- Personalized Systems Biology: Bridging lifestyle and environment to genetics
- Systems Biology Education: What, Why, Who, and How

Important Deadlines

Call for Papers: February 1, 2022

Reviews Completed: May 2, 2022

Submission of Final Papers: June 6, 2022

Registration Opens: May 2, 2022

Early Registration Deadline: June 6, 2022
