

FOMMS 2018

*Seventh International Conference on
Foundations of Molecular Modeling and Simulation*
July 15-20, 2018

*Meeting Theme: **Innovations for Complex Systems***

Organizers

Ilja Siepmann
Claire Adjiman
Jeff Errington

Advisory Board

Peter Cummings
Kristen Fichthorn
Sharon Glotzer
Joe Golab
Dave Kofke
Ed Maginn
Clare McCabe
Jonathan Moore
Randy Snurr
Phil Westmoreland

Format

IMS Medal Lecture
vited speakers and
only plenary talks
no poster sessions
Two workshops
Ample time
for discussion
and informal
interactions
Broad,
interdisciplinary
conference

FOMMS 2018

Seventh International Conference on

Foundations of Molecular Modeling and Simulation

July 15-20, 2018

*Meeting Theme: **Innovations for Complex Systems***

Nominate colleagues for the FOMMS Medal by April 3, 2017
(see FOMMS webpage for more information)

Nominate colleagues as plenary speakers by December 5, 2016
(send e-mail to siepmann@umn.edu)
