

FOSBE 2022

Royal Sonesta Boston
Cambridge, MA, USA
August 28-31, 2022

Conference Theme: **Systems Biology for Life**

Conference Organization:

Conference Chair: Ioannis (Yannis) P. Androulakis, Rutgers University

Conference co-Chair: Maria Klapa, FORTH - Greece

Nat'l Organizing Committee co-Chair: Eduardo Sontag, Northeastern U

Nat'l Organizing Committee Industry co-Chair: Cynthia J. Musante, Pfizer

Int'l Organizing Committee co-Chair: Eva Balsa Canto, National Spanish RC

Int'l Organizing Committee Industry co-Chair: Benjamin Riba, Roche

Publication Chair: Daniel Howsmon, UT Austin

Conference Sessions:

- Systems Biology: Past, Present, Future
- Systems Biology in the Machine Learning era
- Systems Biology meets Systems Pharmacology: More of the same or something new?
- Systems Biology in a Clinical Setting: From desktop to bed top
- Personalized Systems Biology: Bridging lifestyle and environment to genetics
- Systems Biology Education: What, Why, Who, and How

Invited speakers:

- L. Alexopoulos (NTUA)
- K. Azer (Axella)
- C. Cho (Merck)
- F. Doyle (Harvard)
- P. Foteinou (BMS)
- L. Griffith (MIT)
- V. Hatzimanikatis (EPFL)
- J. Hahn (RPI)
- A. Hunt (UCSF)
- W.J. Jusko (U Buffalo)
- H. Kimko (AstraZeneca)
- E. Klerman (Harvard/MGH)
- D. Lauffenberger (MIT) – Keynote
- C.J. Musante (Pfizer)
- N. Price (Institute of Systems Biology)
- S. Ramanujan (Genentech)
- E. Sontag (Northeastern U)
- A. Valencia (Barcelona Supercomputing Center)
- E. Voit (GA Tech)
- S. Yang (Hubei University)

Important Deadlines

- Nov 1, 2021: Call for contributed papers opens
- Feb 1, 2022: Contributed papers submission deadline
- Apr 4, 2022: Registration open
- Jun 27, 2022: Early registration deadline
