

## Trustees La Roche and Venkatasubramanian Step Down as CACHE Trustees

Trustees Venkat Venkatasubramanian of Purdue University and Richard LaRoche of DEM Solutions recently ended their years of service as CACHE Trustees. Venkat was President of CACHE in 2002-2003 and had been a trustee for 17 years. Dick LaRoche was Secretary of CACHE from 2006 to 2008 and served for 9 years as a trustee. We thank Venkat and Dick for their service to CACHE and to the computing community and wish them well in their future endeavors.
